

PVC Trim can replace wood in nearly any non-load bearing application. PVC resists rotting, decaying, warping, and splintering. It resists mildew growth and insect infestation. Chemcrest PVC Trim products can be used on both the interior and exterior of residential and commercial projects.

PVC Sheets & Trim Boards

PVC Sheets

	PVC Sheet Thickness	Actual Size	
		Width (ft.)	Length (ft.)
PVC3-8X4X8	3/8"	4'	8'
